

THE SYLVAN

THE SYLVAN, 1964

FOREWORD

Although time will pass and the students of Woodland-Olney High School will leave for a new central school, we hope this book will be an unbreakable link in your chain of memories while you were here at this school. If when looking through these pages, you relive the happy days of high school for just a while, our efforts will not have been in vain.

Thus we present THE SYLVAN, 1964. May it preserve memories that will live through the years.

FOR THEIR FAITHFUL SERVICE TO
AND UNDYING INTEREST IN WOOD-
LAND-OLNEY HIGH SCHOOL, FOR
THEIR PATIENCE AND UNDERSTAND-
ING AND WILLINGNESS TO HELP, FOR
THEIR LOYALTY AND UNSELFISHNESS.

"MISS SONORA"

"Jot this down", calm,
unruffled, well-dressed,
poised, understanding,
patient, a leader.

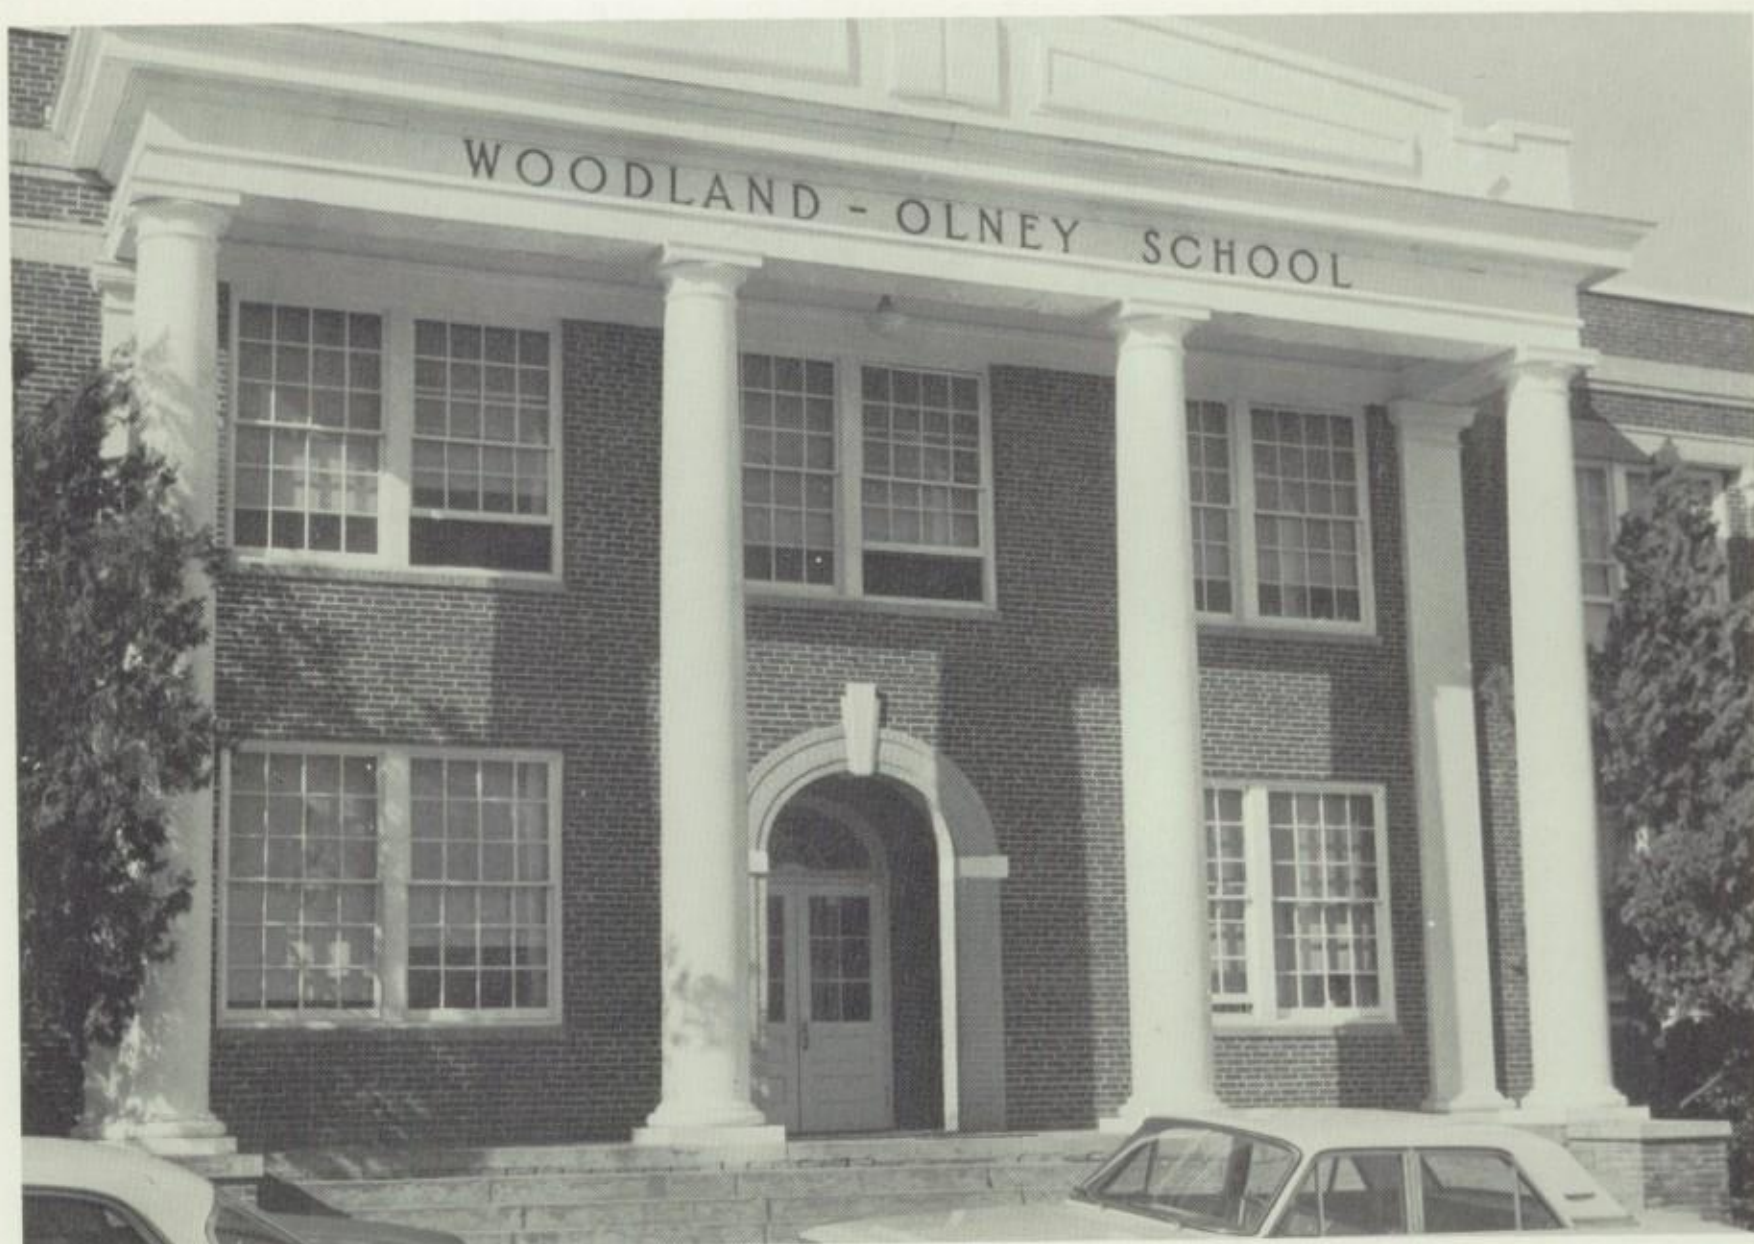

MR. TAYLOR

"P. W."

Kind, helpful, co-operative, fun, "watching calories", good-humored, teaser, whistler.

TOWARD BOTH FACULTY AND
STUDENTS, WE, THE SENIOR
CLASS, WISH TO DEDICATE
THE SYLVAN, 1964, TO
MRS. SONORA BENTHALL AND
MR. P. W. TAYLOR.

When the Woodland School and the Olney School of George were consolidated, the first class graduated in 1920. A three-story building on the present grounds housed all the grades. Later the tall building was replaced by the one now in use.

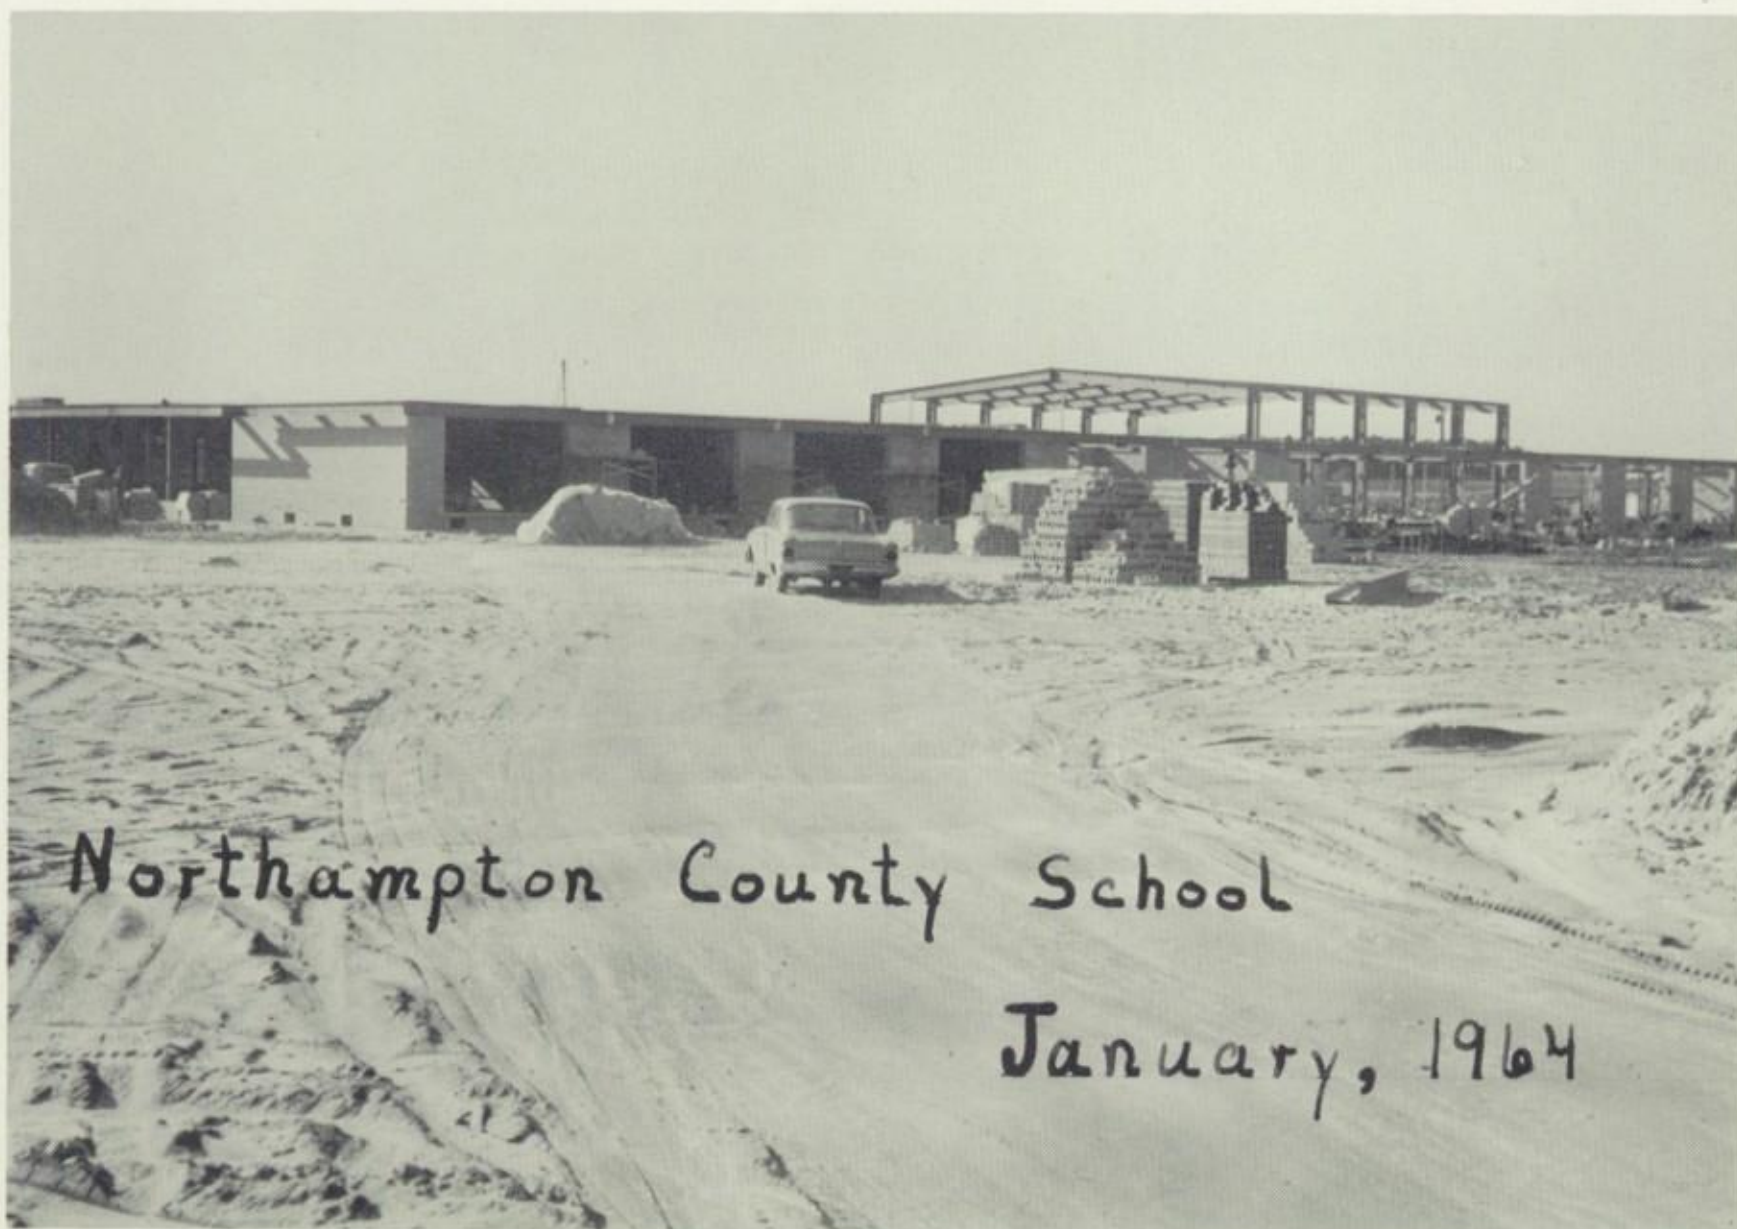

The students from Potecasi and Menola were added to Woodland-Olney, thus increasing the spread of its influence.

Now the high school on this long established site is being drawn into the stream of progress called consolidation. After almost a half century of meeting the educational needs of the entire school population, this familiar landmark will relinquish the training of the top four grades to a central school, to be completed by August, 1964, near the village of Creeksville.

Alumni, teachers, and present high school students look forward to greater opportunities at the new, larger school.

Early in 1964, progress in construction of the new school plant is promising. On the site pictured below, imagine a sprawling, one-story building to accommodate six hundred students.

ADMINISTRATION

MR. CARL R. BRITT, Principal

MR. BRITT

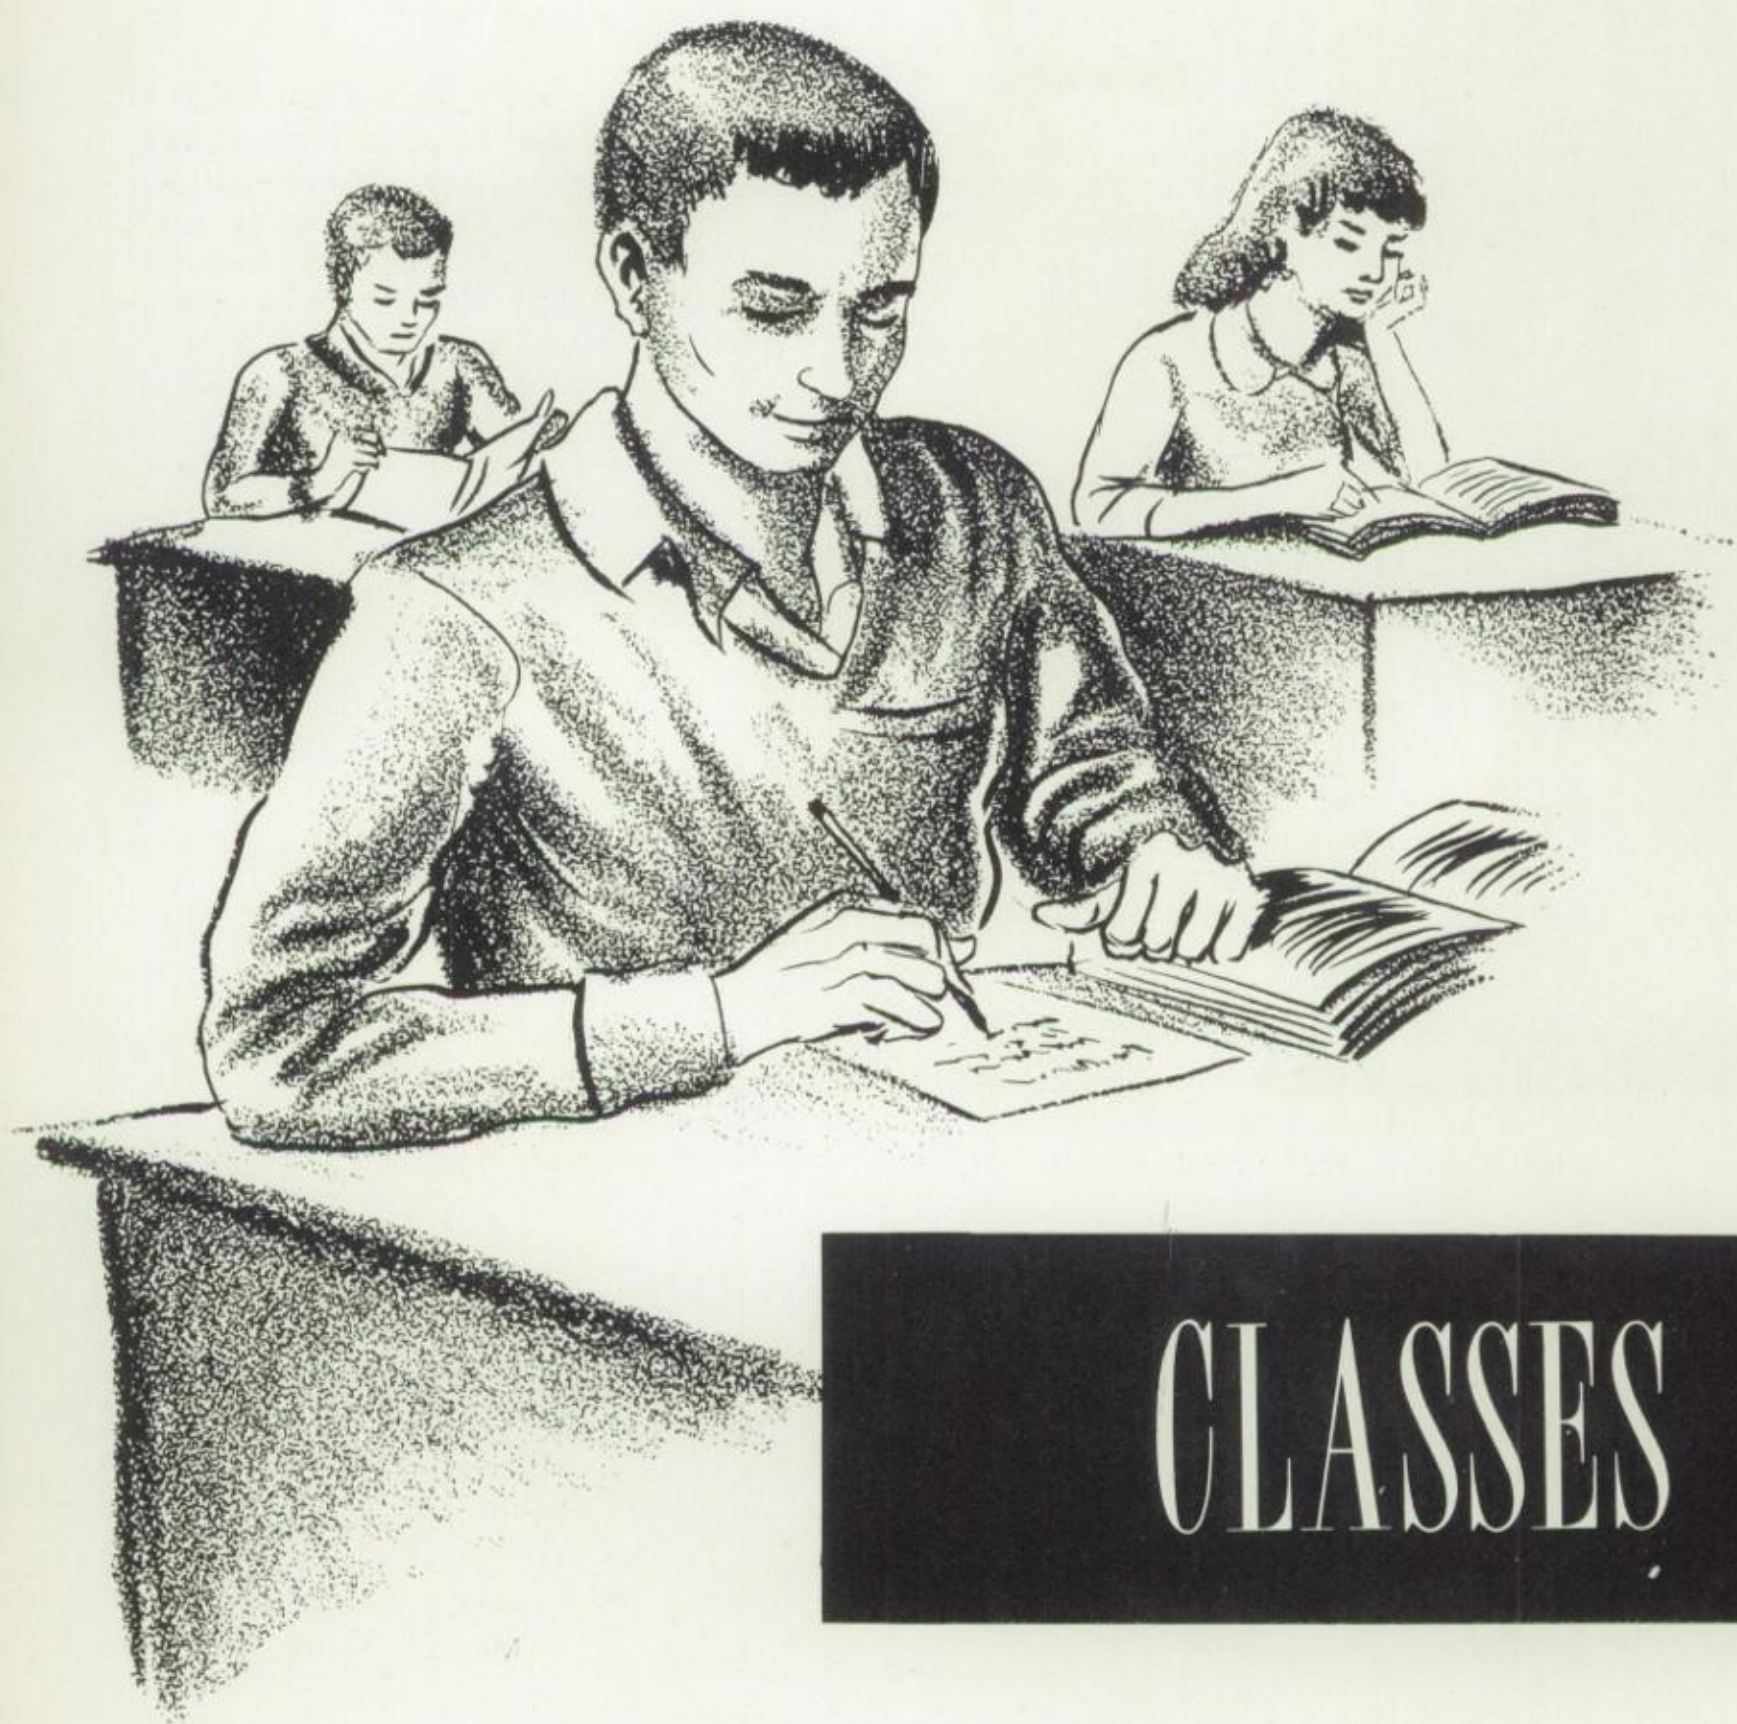

Mr. Britt attended East Carolina College where he majored in social studies and business administration. He taught ten years in Colerain before coming to Woodland in 1961. In 1962 he became principal at Woodland-Olney after the retirement of Mr. B. L. White. Under his able leadership, the school prospered and has continued to uphold the principles of education which are valued so highly by the community.
